

Digitability's Free Work-ready Training Summer Program

This opportunity is open to students receiving special education services, ages 14-21

Digitability is bringing this opportunity to Philadelphia and the surrounding counties in the Greater Philadelphia Region.

If you are interested in having your child participate in these free work-ready training sessions, please complete the Digitability Summer Program Interest Form on:
digitability.com/phillysummer

Once you complete the free program interest form a member of the Digitability team will follow up with you.

Digitability will work to assign your participating student to a convenient location. However, **space and availability will be limited.**

About Digitability

Digitability is an award-winning work-ready program that is preparing students for our tech-driven and highly social workplace. For the last six years, the Digitability model has been recognized as an innovative solution to the unemployment crisis facing a large and growing population, and has been featured on MSNBC, CNET, NPR, TechCrunch and showcased at Silicon Valley's Social Innovation Summit.

Digitability prepares students with a work-ready skill portfolio and the social/emotional capacity to persevere; this is helping people with neurodiverse needs overcome existing

**If you have any issues accessing the form, please email: michele@digitability.com
We look forward to hearing from you!**
