Digitability is the only scalable, STEM-focused model that continues to be recognized as an innovative solution to the unemployment crisis facing a large — and growing — population of those with disabilities. **Whereas less than 30% of people with disabilities are employed, 70% of Digitability graduates obtain full-time employment.**

Something for EVERY Student: The needs of individuals who participate in Digitability run the gamut. All of your resources are extensively differentiated to support a wide range of cognitive, communication and behavioral needs.

Reduce Time Planning & Progress Monitoring: Digitability manages your existing special education priorities into a streamlined process. We have all the tools to enhance existing programming or serve as a foundation for innovative programming at any school or in any classroom.

Program Resources Include:

- ✓ **700+** Digital Literacy Lesson Plans
- ✓ **200+** Social, Communication & Behavior Resources
- ✓ **600+** Workplace Readiness Activities
- ✓ **100+** Functional Academic Resources
- ✓ **900+** Interactive Online Activities

- ✓ IEP Goal Bank and Progress Reports
- ✓ Data Dashboard to Track IEP Transition Data

Bankability™

The First Virtual Banking System for Special Education Students

Bankability allows students to experience a modern banking app while learning financial literacy and workplace behavior.

Online Banking is Here!

Bankability works with The Digitability Social Economy, where students earn (and later spend) virtual money for practicing workplace behavior. With Bankability, students now receive direct deposits on payday, review pay stubs and personal bank statements.

Bankability™

Using Bankability, students manage their checking and savings accounts, pay bills, shop, and review their finances all from their online bank account. Teachers can customize classroom bills and rewards, run payroll, and approve purchase requests all from their Bankability dashboard.

Data & IEP Progress Reports

Bankability also allows teachers to track workplace readiness progress using Digitability's Individual Education Program (IEP) Transition Goal Bank. Assigning each dollar to a behavior will allow teachers to track that behavior overtime. Reports can be generated at the click of a button and shared with their Special Education Team.

The Reason Teachers Love the Digitability Program

- **1:1 Personal Implementation Coach** for EVERY teacher.

- **Evidence-based Practice Coaching** by Experts

- **IEP Goal Bank and Progress Monitoring** (at the click of a button!)

- **Rewards Program for Teacher Progress**

- **Easy to Use, Pre-Written & Differentiated Lesson Plans**

- **Differentiated, Print-Ready Social and Language Activities**

- **Google Classroom Compatible with Free Google Doc Templates**

Digitability™
Be Work Ready!

Digitability gives teachers a ready-to-implement system that has already packaged effective methods for developing social, emotional and communication abilities as well as preparing students for their transition to independence.

Year-Long Personalized Teacher Support & Coaching

Every teacher works with a personal coach to support classroom facilitation, reduce teacher stress and help customize projects. Teachers can schedule a call with their Coach anytime and brainstorm solutions to barriers, new projects or review curriculum resources.

Evidence-based Practice Training by Experts

Digitability has a professional development training staff who have the requisite knowledge in the area of behavior (BCBA), autism, technology, teacher training, data management educational diagnostic to deliver the requested professional development to 250 teachers in your district.

Data & Report Tools Included!

Monitoring progress of a wide range of individual student goals can be challenging and time consuming. That's why Digitability designed a system that makes the IEP process easier!
Teacher Rewards Program

Digitability understands the day-to-day demands of teachers. Digitability's Professional Development Reward System incentivizes teachers as they achieve mastery of new evidence-based practices for increasing transition outcomes for students.

Easy To Navigate Lesson Planning Materials

All lesson plans are already pre-written, scripted, differentiated, and include a three tiered system of modified resources. Your Implementation Coach will help you navigate all resources so you feel comfortable and confident implementing lessons.

Google Classroom Compatible

In addition to being compatible with Google Classroom, Digitability trains students to use Google Applications to learn word processing, data entry, organization and workplace communication. Digitability also provides teachers with custom Google Doc Templates for creating resumes, presentation personal budgets and more.
