## June Week 3

# Digitability Vacations

A Vacation-themed Budgeting Activity

TechCrunch

# Materials

- Digitability Vacations catalog (printed or displayed)
- Differentiated Budgeting Activity Worksheets
- Calculator (as needed)
- Pencil

# Instructions:

- Using the Digitability Vacations catalog, students will answer questions related to the prices of items shown (transportation, location, and activities).
- Students (independently or with assistance) will complete differentiated budgeting activity worksheets depending on their level of needed support.
- Students will answer questions about the activity and earn Bankability dollars for following directions, participating, and remaining on-task.
- Teachers will upload dollar amounts to the students' Bankability accounts (if applicable).

# Differentiated Instruction:

- Tier 1: Students will answer word problems regarding a budget and be asked to make purchases from Digitability Vacations without exceeding their given amount. They will determine if they have enough money in their budgets to make purchases.
- Tier 2: Students will determine if the amount of money in their given budgets is enough to purchase specific items within the Digitability Vacations catalog.
- Tier 3: Students will circle the correct number of dollars needed to make a purchase from the Digitability Vacations catalog

# Incorporate Bankability:

- Students will answer questions about the activity and earn Bankability dollars for following directions, participating, and remaining on-task.
- Teachers will enter dollar amounts to the students' Bankability accounts.
