Monica and Marcus have a project due in a month. They sit down together and create a timeline to finish the project.

Marcus is stuck on a project. He asks for ideas to help solve his problem. Monica offers some suggestions. Marcus takes her advice and finishes his project.

Marcus is preparing food orders during lunch rush. Half way through, Marcus gets a notification on his phone. He sits down to check his text messages.

Monica is telling coworkers about a new product for customers. It reminds Marcus of last night's basketball game. Marcus starts asking questions about the game during Monica's presentation.

Marcus gets hungry on his shift. He knows Monica has several snacks in her locker. He decides to take one without asking.

Marcus is proud to show off a picture he painted. Monica sees it and says "That looks like a child painted it."

Monica is running a few minutes late for her work shift. She calls her manager to let her know that she is on her way.

Monica sees a customer struggling to carry her groceries so she runs and gets the customer a shopping cart.

**T1****Workplace Behavior Scenarios**

Directions: Read through the scenarios to determine if the behavior shown is positive. If it is not, write what the person should have done instead.
