

Digitability is the only scalable, STEM-focused model that continues to be recognized as an innovative solution to the unemployment crisis facing a large — and growing — population of those with disabilities. **Whereas less than 30% of people with disabilities are employed, 70% of Digitability graduates obtain full-time employment.**

**Something for EVERY Student:** The needs of individuals who participate in Digitability run the gamut. All of your resources are extensively differentiated to support a wide range of cognitive, communication and behavioral needs.

**Reduce Time Planning & Progress Monitoring:** Digitability manages your existing special education priorities into a streamlined process. We have all the tools to enhance existing programming or serve as a foundation for innovative programming at any school or in any classroom.

#### Program Resources Include:

- ✓ **700+** Digital Literacy Lesson Plans
- ✓ **200+** Social, Communication & Behavior Resources
- ✓ **600+** Workplace Readiness Activities
- ✓ **100+** Functional Academic Resources
- ✓ **900+** Interactive Online Activities
- ✓ IEP Goal Bank and Progress Reports
- ✓ Data Dashboard to Track IEP Transition Data
- ✓ Year-long, teacher coaching on Evidence-based Practices

**Earn Amazon Gift Cards!** Our teacher coaching and professional development services reward each teacher with Amazon Gift cards throughout their process of achieving mastery of evidence-based practices and improving transition outcomes for students.

#### **JOBS**

**Students Obtain Full-Time Employment:** Each student graduates with a work-ready, skills-based portfolio and the social/emotional ability to persevere, self-regulate and self-advocate in learning environments that simulate “real-world” workplace settings. Digitability’s program for today’s modern workplaces has been featured on **MSNBC, CNET, NPR, TechCrunch, Ted Talks**, and showcased at **Silicon Valley's Social Innovation Summit**.

- 1:1 Year-Long Coaching
- Evidence-Based Practices Training
- Reward Program

# The First Virtual Banking System for Special Education Students

Bankability allows students to experience a modern banking app while learning financial literacy and workplace behavior.

## Earn Virtual Money

|                            |          |
|----------------------------|----------|
| Earnings                   |          |
| Gross Pay                  | \$105.00 |
| Deductions                 |          |
| - Behaviors                | -\$12.00 |
| - Federal Income tax (15%) | -\$15.75 |
| - State Income Tax (5%)    | -\$5.25  |
| Net Pay                    | \$72.00  |

Students earn a classroom currency for behavior and receive direct deposits into their checking account each payday.

## Pay Bills & Purchase Rewards

| Date    | Description      | Category | Amount |
|---------|------------------|----------|--------|
| 11/1/23 | Digitability Pay | Income   | \$72   |
| 11/4/23 | Rent             | Bill     | -\$10  |
| 11/6/23 | Extra Snack      | Reward   | -\$2   |
| 11/6/23 | WiFi             | Bill     | -\$5   |
| 11/6/23 | Youtube Time     | Reward   | -\$5   |

Customize classroom bills and rewards, run payroll, and approve purchase requests from their Bankability dashboard.

## Budgeting Tools

|              |                |
|--------------|----------------|
| Set a Budget |                |
| Income       | \$180 of \$200 |
| Purchase     | \$15 of \$50   |
| Bills        | \$50 of \$100  |
| Fees         | \$15 of \$30   |

Budgeting tools allow students to practice financial decision-making, budgeting, and record-keeping in a controlled environment.

## Track Progress

Logged behavior dollars help teachers track behavior overtime. Reports can be generated and shared at the click of a button.

## Customize

|                      |        |
|----------------------|--------|
| Rewards for Purchase |        |
| reward type          | amount |
| YouTube Time         | 10     |
| Movie Day            | 10     |
| Preferred Activity   | 5      |
| Classroom Bills      |        |
| bill type            | amount |
| Rent                 | 20     |
| Electric Bill        | 10     |

Teachers can customize classroom bills and rewards, run payroll, and approve purchase requests all from their Bankability dashboard.

## Behavior Support

Designed by experts, Bankability develops self-regulation strategies and replacement behaviors with comprehensive lesson plans included.

## INTERNET TERMS BINGO!

Listen to the definitions and match the definition to the term in the boxes below.

**internet:** a computer network that connects people across the world

**Website application:** may help you send mail through the internet, listen to music online or organize your personal pictures in a virtual photo album

**Hyperlink:** a word or group of words that are a blue color and underlined. When you click on one, you will go to a new webpage

**Keywords:** Words you type to help you find what you are looking for

**Website:** a place you visit on the Internet. A website can have text, photos, videos, and more

**Webpage:** A website has many of these. Each looks different, but is a part of the website

**URL:** a website's address

**Menu bar:** help you visit different webpages on a website. The words on it will help you to know what is on each page

**Icon:** a picture that stands for something else

**Field:** a white box where you type text

**Search engine:** helps you find things on the internet. Google, Bing, and Yahoo are some examples

**Browser:** lets you view websites

**Scroll bar:** a long bar that appears on the side or the bottom of the browser window that lets you move around the webpage

**Address bar:** a long, white rectangle at the top of a browser window

**Refresh:** a button that reloads the webpage that you are viewing to your browser window

**Homepage:** the first page of the website
