Digitability

Budgeting Basics

Personal Income and Expenses

Digitability is the only scalable, STEM-focused model that continues to be recognized as an innovative solution to the unemployment crisis facing a large and growing – population of those with disabilities. Whereas less than 30% of people with disabilities are employed, 70% of Digitability graduates obtain full-time employment.

Something for EVERY Student: The needs of individuals who participate in Digitability run the gamut. All of your resources are extensively differentiated to support a wide range of cognitive, communication and behavioral needs.

Reduce Time Planning & Progress Monitoring: Digitability manages your existing special education priorities into a streamlined process. We have all the tools to enhance existing programming or serve as a foundation for innovative programming at any school or in any classroom.

Program Resources Include:

- √ 700+ Digital Literacy Lesson Plans
- ✓ 200+ Social, Communication & Behavior Resources
- √ 600+ Workplace Readiness Activities
- √ 100+ Functional Academic Resources
- √ 900+ Interactive Online Activities

- ✓ IEP Goal Bank and Progress Reports
- ✓ Data Dashboard to Track IEP Transition Data
- ✓ Year-long, teacher coaching on **Evidence-based Practices**

Earn Amazon Gift Cards! Our teacher coaching and professional development services reward each teacher with Amazon Gift cards throughout their process of achieving mastery of evidence-based practices and improving transition outcomes for students.

Students Obtain Full-Time Employment: Each student graduates with a work-ready, skills-based portfolio and the social/emotional ability to persevere, self-regulate and self-advocate in learning environments that simulate "real-world" workplace settings. Digitability's program for today's modern workplaces has been featured on MSNBC, CNET, NPR, TechCrunch, Ted Talks, and showcased at Silicon Valley's Social Innovation Summit.

Instructions:

- 1) Distribute T1, T2, or T3 resources to students.
- 2) Tell students "We are going to use our last Bank Statement to create a budget for next month. You can also use the last two months bank statements to look for patterns.
- 3) Inform students "Remember that a budget is a written plan that helps you manage your money by showing how much money you make and spend each month."
- 4) Inform students, "I will be handing you your bank statement from last month. You will use your bank statement to fill out the the table on your worksheet" Model identifying information on Bank Statement. Point to tables on student worksheets.
- 5) Tell students "You will need to identify your monthly totals for income, purchases, bills, and fees."
- 6) I'll set a timer for 15 minutes. When the timer goes off, we will review our goals and share out answers."

Differentiated Instruction:

- Read values aloud for students who need assistance
- Provide staff support to monitor activity in small groups

Incorporate Bankability:

- Teachers will enter dollar amounts to the students' Bankability accounts. <u>Click here to learn more about our Virtual Banking System- Bankability</u>
