

Digitability™

May Week 4
Vote for Your Favorite
Work Simulation Project

TechCrunch

Instructions:

- 1) Explain that Digitability hosts a Work Simulation Project Competition each year where classes compete to win prizes. The Work Simulation Project transforms the classroom into a work experience where students learn how to apply for a job, work on interview skills, and put their Digitability skills to use.
- 2) Visit <https://digitability.com/worksimulationcompetition/> to view all of the projects in the work simulation competition.
- 3) Tell students they will get to vote on their favorite projects. They will complete differentiated worksheets to talk about and select their favorite project.
- 4) Visit <https://digitability.com/worksimulationcompetition/> to cast your votes!

Differentiated Instruction:

- Tier 1: Students will write a paragraph with 3-5 sentences about their favorite project that includes required information found in the directions on their worksheets.
- Tier 2: Students will use sentence stems to write a paragraph about their favorite project.
- Tier 3: Students will circle the name of their favorite project.

Incorporate Bankability:

- Students may receive Bankability dollars for well-written sentences and using their best handwriting.
- Students may receive Bankability dollars for following directions and participating.

Name

Date

T2

Vote for your favorite work simulation project!

Directions: Write a 3-5 sentence paragraph about your favorite project from Digitability's Work Simulation Competition. Use the sentence stems provided to complete your paragraph.

My favorite project is

It was created by students at

The school is located in

I like this project the best because
