# LESSON PLAN

## WARM UP

### ACCESSING PRIOR KNOWLEDGE

1. *"For a participation dollar, who can recall where your search results appear?"*

**Possible Answers:** In your inbox.

Use positive narration to reinforce students following directions. *"I see Marcus is following directions and already has two contacts listed. I see Vincent has one contact and included their name, email and phone. Nice work following directions and staying on task."*

**Pro tip** Build confidence in your students: Identify students who have not earned money and focus on engaging them. Use differentiation tools if reluctant to participate. I.e. Have them point or write down their answers. EVERY student should be earning money.

**Take answers from at least 4 students. Award at least four participation dollars.**

2. Distribute **17.6.IMAGE** Image Exchange Cards and **17.IEC.Y/N** to students. See  **DIFFERENTIATION** for this activity to identify supplements needed for your students.

### DIFFERENTIATION

On-topic verbal response shared response

Writes response down in notebook or on post-it or rephrase prompt to a yes or no question

Uses **Image Exchange cards** [17.6.IMAGE] to point to potential vocabulary word or icon representing "Inbox," or Points to **Yes or No Image Exchange Card** [17.IEC.Y/N] for rephrased question.

3. Give immediate feedback to each student (see below). Record Workplace Behavior earnings and/or spending on the **Dollar Earnings Tracker**. [17.DollarTracker]

[NAME] + [BEHAVIOR] + [CONSEQUENCE] + [REPLACEMENT BEHAVIOR/REINFORCEMENT]

## +\$ PARTICIPATION

Yes, Marcus. [Student gives answer; Teacher repeats answer] "A contact is someone you may reach out to. Nice job participating and earning a dollar. Anyone else want to share one of their answers for a participation dollar?"

## -\$ OFF TASK

[Student is called on, but responds with a problematic behavior, such as perseveration/obsession of a different topic that does not relate content]. Marcus, that is off-topic. Off-topic comments cost a \$1. "We're talking about what we think a contact is. Raise your hand to share what you think a contact for a participation dollar. "

**Pro tip:** When students exhibit problematic behavior, such as perseveration that keeps them off-task, but correct the behavior after a prompt or verbal cue, IMMEDIATELY provide positive reinforcement, ie. "Nice work following directions, [student]. You earned a following directions dollar."

## GUIDED WATCHING

Call out earnings to the class, "[Student] has earned x dollars... for participating. [Student] has earned x dollars for participating and sharing. [Student] has earned x dollars..."

1. "For a participation dollar, who can tell me the name of our next badge?"

2. Distribute 17.BADGE to students. See  DIFFERENTIATION for this activity to identify supplements needed for your students.

**Pro tip Remember Rule #3:** Avoid a power struggle to stay focused on instruction. We are helping students learn to self-regulate. Therefore it is important to give students time to opt, or identify their replacement behavior. If a student is not following directions, you have give them one minute (60 seconds) before taking additional dollars.

## INFORMAL ASSESSMENT

1. *"For a participation dollar, who can tell me how you can find a specific email in your Gmail?"*

4. *"For a participation dollar, who can tell me what you do after you type in the keywords into the search field?"*

**Answer:** Click the search icon.

**Pro tip:** Use content domain to develop expressive communication. If a student gives a one-word answer or a fragment. Require a complete sentence before awarding the \$1. Then, use positive narration to reinforce the student's expressive communication.

"I love how you used a complete sentence for your answer. Nice job earning a dollar!"

"Yes, Nice job participating, [student]! You earned a participation dollar."
