Digitability™
Be Work Ready!

Digitability is the only scalable, STEM-focused model that continues to be recognized as an innovative solution to the unemployment crisis facing a large – and growing – population of those with disabilities. **Whereas less than 30% of people with disabilities are employed, 70% of Digitability graduates obtain full-time employment.**

Something for EVERY Student: The needs of individuals who participate in Digitability run the gamut. All of your resources are extensively differentiated to support a wide range of cognitive, communication and behavioral needs.

Reduce Time Planning & Progress Monitoring: Digitability manages your existing special education priorities into a streamlined process. We have all the tools to enhance existing programming or serve as a foundation for innovative programming at any school or in any classroom.

Program Resources Include:

- ✓ **700+** Digital Literacy Lesson Plans
- ✓ **200+** Social, Communication & Behavior Resources
- ✓ **600+** Workplace Readiness Activities
- ✓ **100+** Functional Academic Resources
- ✓ **900+** Interactive Online Activities
- ✓ IEP Goal Bank and Progress Reports
- ✓ Data Dashboard to Track IEP Transition Data
- ✓ Year-long, teacher coaching on Evidence-based Practices

Earn Amazon Gift Cards! Our teacher coaching and professional development services reward each teacher with Amazon Gift cards throughout their process of achieving mastery of evidence-based practices and improving transition outcomes for students.

JOBS

Students Obtain Full-Time Employment: Each student graduates with a work-ready, skills-based portfolio and the social/emotional ability to persevere, self-regulate and self-advocate in learning environments that simulate “real-world” workplace settings. Digitability’s program for today’s modern workplaces has been featured on **MSNBC, CNET, NPR, TechCrunch, Ted Talks**, and showcased at **Silicon Valley’s Social Innovation Summit**.
